ABOUT

I am a Graphic Designer with a strong passion for design and a dedication to producing high-quality visual content. While I am at the early stages of my career and may not have formal work experience, I am eager to learn and apply my skills in a professional environment. I am proficient in Adobe Creative Suite, detail-oriented, and a quick learner. My goal is to contribute my creativity and dedication to a design team and make a positive impact through my work.

WORK EXPERIENCE

Dragon Forge Studio
Game ui Desigener
Feb 2023 - Aug 2023

PROJECTS

Logo Design:

Created a logo for a local non-profit organization that received positive feedback from the client.

Website Mockup:

Designed a mockup for a fictional business website, demonstrating my ability to create a visually appealing online presence.

Social Media Graphics:

Designed social media graphics for effectively increasing online engagement.
